LB 533

PRESIDENT: No. Let's proceed through the bills, unless there is a change in the Speaker's order they will be taken up after we've worked the entire list. Senator Chambers, for what purpose do you arise?

SENATOR CHAMBERS: If this is out of order I won't argue it, but you said on the issue related to Senator Kelly could be brought up at another time. I have a motion that I would like to put before the Legislature, not for debate, but so it can be entered into the Journal. Could I read you the motion, then I'll bring it up?

PRESIDENT: Well could the Clerk read it into the Journal himself?

SENATOR CHAMBERS: Sure.

PRESIDENT: Alright. I think it would take a change in the Speaker's order to take up a motion to reconsider on LB 543. Let's proceed with LB 533 and we'll take up that motion after we've worked the entire list. Senator Chambers, we're on Final Reading, so this motion is not.... Yes. But, it's entered in the Journal and will be taken up at an appropriate time.

CLERK: You want it read in the Journal then?

PRESIDENT: Yes, read it in the Journal.

CLERK: Mr. President, I move that an inquiry be undertaken to determine who authorized lobbyists to pick up Senator Kelly and whether any improper action was involved. Signed, Senator Chambers.

PRESIDENT: Thank you. Alright now. Senator Lewis, for what purpose do you arise?

SENATOR F. LEWIS: A point of personal privilege.

PRESIDENT: State your point to the Chair.

SENATOR F. LEWIS: Mr. President, while we're preparing that I would ask for a complete transcript of today's activity, and particularly the questions in regard from the Chair and from Senator Chambers in making arrangements for transportation.

PRESIDENT: Proceed to read LB 533.

SENATOR CHAMBERS: Mr. Chairman, can that transcription be inserted in the Journal, what Senator Lewis is asking for? I ask unanimous consent to have it done.

PRESIDENT: That is going to really burden the Journal to put the entire transcript in the Journal. You're asking for unanimous consent?

SENATOR CHAMBERS: Yes.

PRESIDENT: The Speaker objects. Alright. Read LB 533.

CLERK: Read title to LB 533.
